Alpha Estate Axia 2015

91 points

"The 2015 Axia red is the latest release of Alpha's familiar 50/50 blend of Xinomavro and Syrah, aged for 12 months in French oak (half new, half second use). Silky in texture, this is a very crisp this year, showing off its Amyndeon acidity. It is a classic food wine. This is not overly concentrated, but it is pretty intense and filled with flavor."
