

Alpha Estate Assyrtiko 2017

90 points

The 2017 Assyrtiko Ecosystem Aghia Kiriaki is an unoaked single-block wine sourced from Aghia Kiriaki, at 620 to 710 meters in height. This is unoaked and comes in at 13.2% alcohol. It took a while (air and some warmth) to open up, but gradually there were some hints of nice fruit here, perhaps even tastier than the 2016's fruit.
