

# Domaine Sigalas

## Assyrtiko/Athiri

*“Sigalas is one of Greece’s finest white wine producers--in fact, a short list candidate for the best. This producer is universally acclaimed for his skill with Assyrtiko of all types. He is simply a master with this grape.” - Robert E. Parker's The Wine Advocate*

Founded in 1991, Sigalas wines were initially made at the converted Sigalas family home. In 1998 a new vinification, bottling and aging unit was built in a privately owned area of Oia, on the northern part of Santorini. Here the Santorini Assyrtiko as well as the Aidani, Athiri, Mandilaria and Mavrotragano varieties thrive. The vineyards for these varieties are considered the oldest continuously cultivated vineyards in the world, over 3000 years.

The volcanic soils and climate of the viticulture area are the most unique and this "terroir" cannot be replicated anywhere else in the world. This is indeed a very special place.
