

Domaine Skouras Merlot

Domaine Skouras was established in 1986 by Dijon-trained winemaker George Skouras in Pyrgela, Argos, a quaint village nestled in the Nemea region of the Peloponnese. Skouras began working with both indigenous and international wine varieties and started producing very high-quality Greek wines in the late 1980s. The first bottling of his flagship wine, Megas Oenos, launched in 1988 and was the first wine in Greece to blend Aghiroghitiko with Cabernet Sauvignon. At over 3,400 feet, Skouras also boasts one of the highest red wine vineyards in Europe.

Domaine Skouras currently sources grapes from its own vineyards along with dedicated grape growers in the region and is at the forefront of Greek estates. Demand for these terroir-driven and

estate-bottled wines is strong in both Greece and around the world.

The deep black fruit fills the palate and flavors of spices and smoke follow. The aftertaste is rich, long, and complex.
