

# ALPHA ESTATE

## Axia (Syrah/Xinomavro)

### HISTORY -

Alpha Estate is presided over by winemaker Angelos Latridis and vinegrower Makis Mavridis. Angelo studied in Bordeaux and is considered by many to be Greece's most promising winemaker. Together they cultivate international varieties as well as indigenous Greek varieties, and all the wines are crafted in Alpha's state-of-the-art gravity-flow winery. Alpha is considered one of the most cutting-edge producers in Greece and has established one of the most technologically advanced vineyards in the viticulture world. They always strive for precision grape-growing and focused terroir-driven wines that are bold and exciting.

### ECOSYSTEM -

The privately owned vineyard of the estate is situated on a plateau at an altitude exceeding 2,034 feet with a northwest exposure. The local climate is characterized by cold winters and dry summers. Two neighboring lakes contribute to the existence of a mild semi-continental climate. The sandy-clay texture of the soil, assuring an ideal drainage producing wines of exquisite quality and rich aromas.

### VINIFICATION -

Destemming, light crushing, and cold soak skin contact for extraction. Alcoholic fermentation in stainless steel tanks, gradual increase in temperatures, maintenance of wine "sur lie" for seven months with regular stirring. Varieties are vinified separately and then blended.

### AGEING -

Aged for 12 months in 50% new, 50% used (max twice used), French Allier Oak casks medium to light toast. Spends 12 months in bottle before being released.

### TASTING NOTES -

Splendid, purple red color. Complex, typical bouquet of spices (vanilla, pepper, clove), with hints of ripe blackberry. Full mouth, with vanilla aroma, rounded tannins, balanced acidity, and wood tones. Long aftertaste with intense quince aroma.

**COMPOSITION -** 50% Syrah, 50% Xinomavro

**ALTITUDE -** 2,034-2,329 ft

**REGION -** Florina - Amyndeon

**IRRIGATION -** Rootzone, R.D.I.

**CLASSIFICATION -** P.G.I. Florina

**ALCOHOL % -** 14.17%

**AGE OF VINES -** Planted in 2000

**PH -** 3.41

**VINE TRAINING -** Double Cordon VSP. 3.700 shoots/ha

**TOTAL ACIDITY -** 6.17 grams/liter

**SOIL PROFILE -** Sandy Clay Over Limestone, Excellent Drainage
